Please join us for an auction of contemporary art to benefit

## **RADIUS BOOKS**

Thursday, October 21st, 5–8 pm

Our annual silent auction contains work by artists we've published during the past year, and provides critical revenue for the funding of our programs.

If you can not attend the event, we are taking absentee bids until the day of the event, and there is a pre-auction “buy it now” option for all of the pieces at retail value.

All prices include framing.

Contact us for information about how to place your bid or to reserve any of the items.
